## Planning Your Holiday

Planning your holiday takes a lot of time and thinking about.

You may have some questions about the holidays and we are here to help you with your support requirements.

Holidays can be reserved by emailing us or by simply telephoning us with a non-refundable 20% deposit. We accept cheques, bank transfer and cash at either Sherrick House or at the Barnet Mencap Head Office. The holidays are expected to sell out fast and bookings will be made on a first come, first served basis.

Please feel free to contact Thomas Williams Telephone 020 8203 4860 or Email [thomas.williams@barnetmencap.org.uk](mailto:thomas.williams@barnetmencap.org.uk)

### **ROOM ALLOCATIONS**

Accommodation is in shared, single gender, twin or triple rooms. If you would like a single room, for your comfort, please request this when booking as we may have limited single rooms available. An additional nightly rate applies which varies depending on the holiday.

### **INSURANCE**

You are required to buy travel insurance appropriate for the destination to which you are travelling, including the UK. It is your responsibility to ensure you have adequate cover. If you travel without insurance, all costs for cancellation, illness and medical expenses plus loss or damage to your property will be your responsibility. We recommend that you obtain an EHIC card for all travel to Europe. Your travel insurance must be valid for the entire duration of your holiday including the return date. We will need the name of your insurer, your policy number and your insurer's 24-hour help line number before you travel with us. An EHIC covers most urgent medical costs but this varies from country to country and additional fees will be charged to the customer.

### **PASSPORTS**

You must hold a valid passport for travel outside the UK and for UK holidays which include a flight. It is your responsibility to ensure you have a valid passport if needed. Your passport must be valid for the entire duration of your holiday and for 30 days after the return date. If you are unable to provide a valid passport at the time of departure you will not be able to travel with us but will still be liable for the full cost of your holiday and any pre-booked pickups. If your destination country demands other documents, travel permits, or a visa you will be notified at the time of booking and will be required to obtain them before travelling.

## **PICK-UP AND DROP-OFF POINTS**

Holiday prices include pick up from, and return to, the designated meeting points confirmed on your itinerary which will be sent to you prior to the holiday starting.

## **HOLIDAY AGENDAS**

Substitutions and alternative plans may occur depending on customers' preferences, weather and unforeseen circumstances. Prices and dates shown are subject to demand and availability.

## **CANCELLATION**

We understand that occasionally you may need to cancel your holiday due to unforeseen circumstances or illness. A holiday booking is a legally binding contract and is created when we receive your deposit. In the event you are unable to travel for any reason, we have a cancellation policy based on the estimated cost of termination and we will charge an amount dependent on the timeframe of the notice you are able to give. We strongly suggest you buy travel insurance appropriate for your holiday as it is your responsibility to ensure you have adequate insurance cover for cancellation. In the event of cancellation for any reason the following non-refundable payments are due:

**More than 90 days before the start of the holiday deposit only**

**Between 90 and 60 days before the start of the holiday 75% of the full holiday cost**

**Between 60 and 0 days before the start of the holiday 100% of the full holiday cost**
