

Garden activity pack

These activities can take place in your garden or during your daily walks

My name is...

Today is...

Flower quest

Take the time to look at the list and images of flowers you may see at this time of year. You may want to think about the colour and shape of the flowers.

When you go outside, see if you can spot any of these flowers. If you do, add a tick to the 'How many did I see' column each time you see the flower.

Once you are finished, add up each of your ticks for each flower and add them to the 'Total' column. You could do this task over one visit outdoors or over a week.

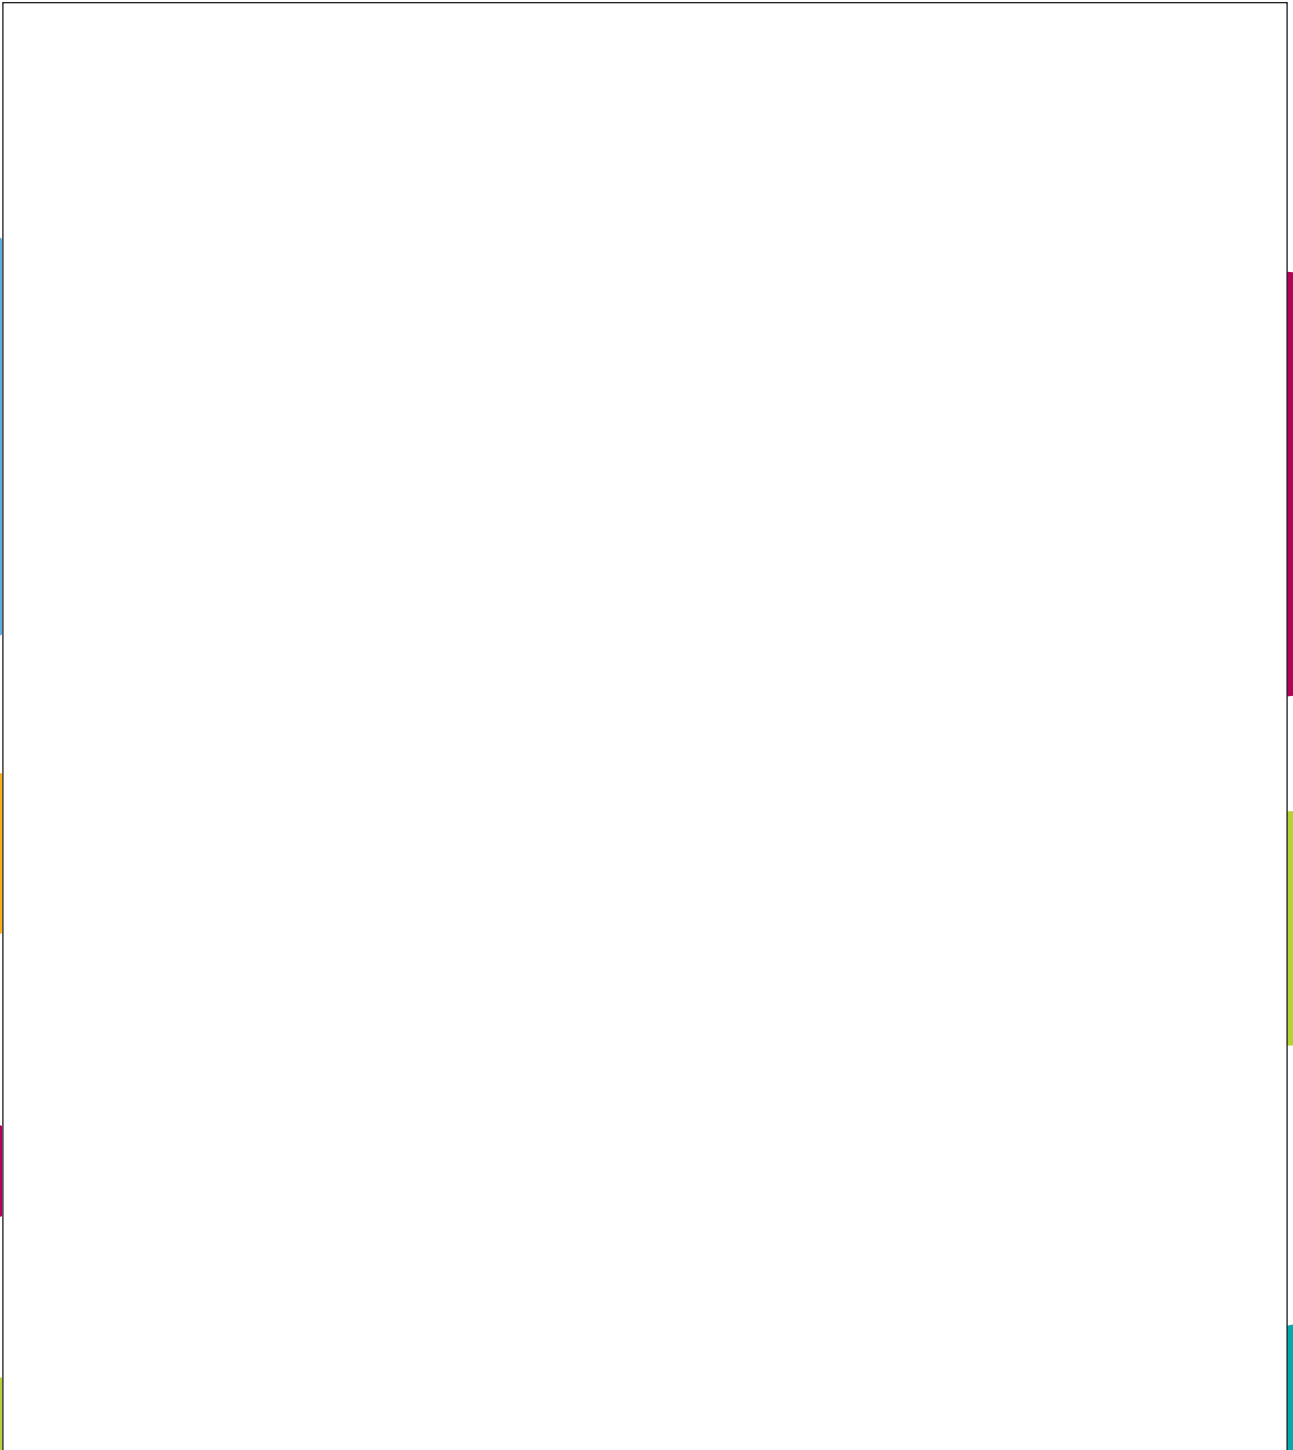

Flower	How many did I see	Total
 Apple blossom		

Flower	How many did I see	Total
		
Bluebell		
		
Clematis		
		
Cowslip		
		
Daisy		

Flower	How many did I see	Total
 <p>Dandelion clock</p>		
 <p>Lilac</p>		
 <p>French lavender</p>		
 <p>Strawberry</p>		

Flower drawing

Draw your favourite flower that you have seen during your flower quest activity. This could be a flower you found that wasn't on the list.

Colouring in - garden picked flowers

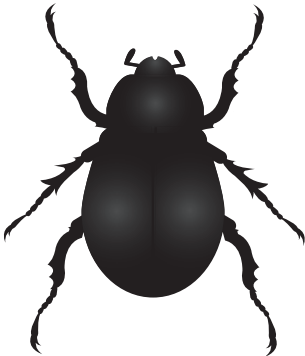

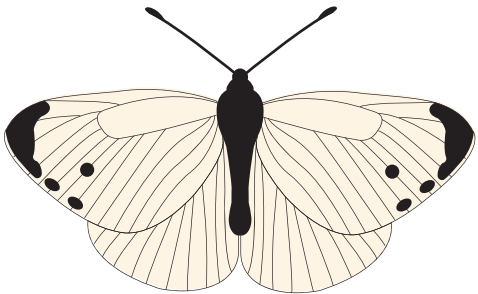

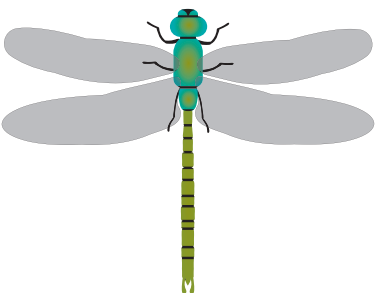

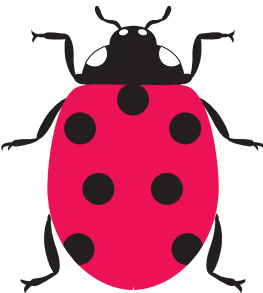

Creature quest

Take the time to look at the list and images of creatures you may see at this time of year. Some of these creatures may be in trees or on shrubs and others will be found at ground level.

When you go outside, see if you can spot any of these creatures. If you do, add a tick to the 'How many did I see' column each time you see the creature.

Once you are finished, add up each of your ticks for each creature and add them to the 'Total' column. You could do this task over one visit outdoors or over a week.

Creature	How many did I see	Total
		
Bee		
		
Beetle		

Creature	How many did I see	Total
		
Butterfly		
		
Dragonfly		
		
Ladybird		

Creature drawing

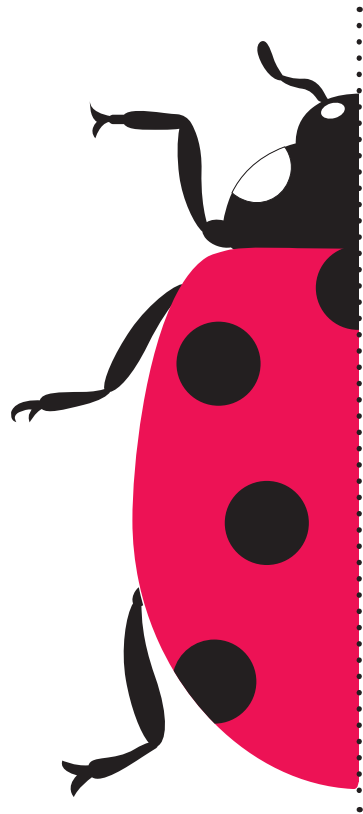

Draw your favourite creature that you have seen during your creature quest activity. This could be a creature you found that wasn't on the list.

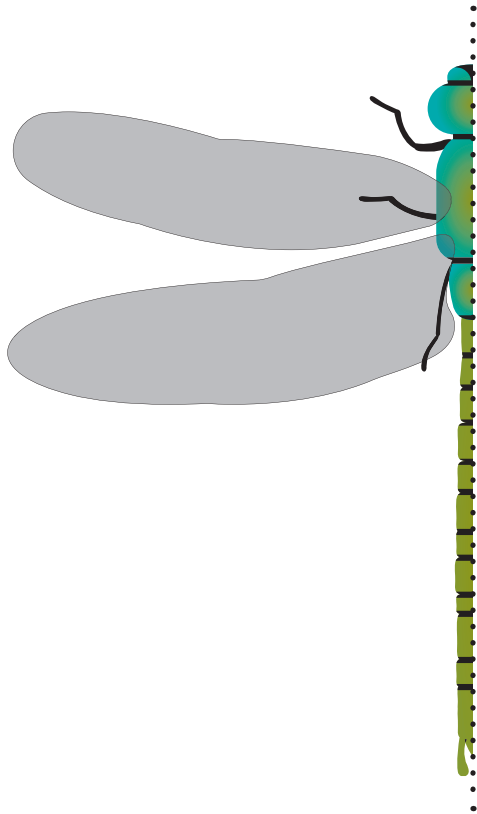

Draw the missing half

Draw the other half of the creature. See if you can draw the shape and colours from the image.

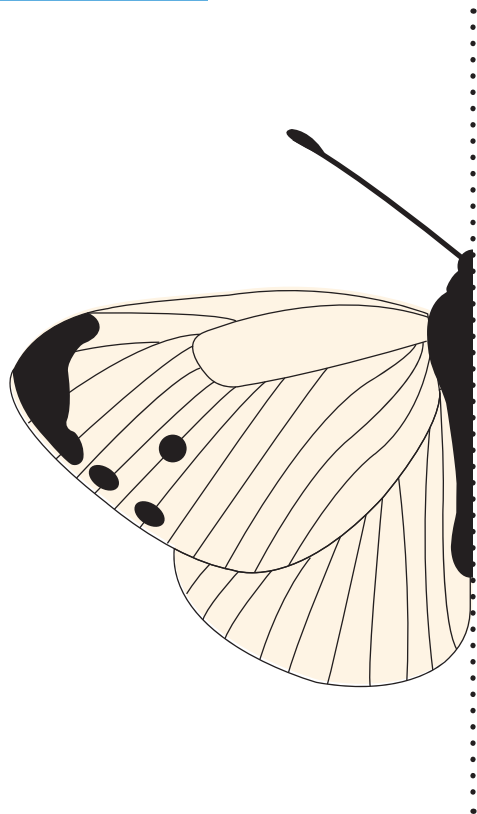

Ladybird

Dragonfly

Butterfly

Beetle

Bee

Colouring in - garden creatures
