

Barnet Mencap Organisation Chart

Our teams are:

Project Support

This team provides administrative help and advice to the other departments and ensures that the organisation is working efficiently and effectively and within the bounds of the law and our own Memorandum and Articles of Association

Equality Housing

Equality Housing is a supported housing project for people with learning disabilities. The team aims to give people a chance to successfully live independently in the community by providing them with the skills they will need. This could be for people living in one of our 3 shared houses, their own flat or in their family home.

Working for You is a free short term support, information advice and guidance service for adults with learning disabilities and adults with autism. Our trained staff offer help with housing, health, dealing with other people, finding other appropriate services, money and benefits, official correspondence and personal safety

Community Services

Children's Services - We offer advice, information and guidance to parents of children with learning disabilities and additional needs. We provide parenting programmes and workshops. We also provide play sessions through Open Door and holiday activities.

Through Take a Break we offer short breaks for families of children with learning disabilities and/or autism.

We have projects around Engagement, who regularly give feedback on consultations and other documents to the council and other organisation and have a place on Boards. We have a Fundraising Coordinator and Hate Crime Coordinator to support people around Hate Crime in the borough.

Project 300 began in the pandemic to keep in touch with clients who may be isolated, and speak to people in the borough on a regular basis.

The Community Opportunities Project (COPs) provides social and leisure opportunities for people aged 16 and over with learning disabilities and/or autism. These may be:

- Social such as pub visits, meals out, day trips or quiz nights
- Cultural such as Theatre trips, museum or exhibition visits
- Educational such as cultural evenings, health and wellbeing courses
- Sporting such as Zumba, Martial Arts, Yoga, Football, Sailing, Golf, Badminton and Swimming

Sessions which are available according to the season and trainer availability
