WHAT OUR HOLIDAYMAKERS SAY!

Evelyn

I don't want it to change, more holidays. I've really enjoyed this holiday, no stress, quiet and I have loved the small group.

Laurie

I've really enjoyed this holiday, calm, quiet and a good group to be with. I would like it to be longer, 10 days or 2 weeks. Same staff would be very good.

Andrew

The weather was very hot. We went to the beach. Had some nice cocktails. Swimming in the pool & sea. I played pool, table tennis & sung Karaoke for the 1st time. We've all got on very well. I would like more holidays to different places I've not been to before. I am looking forward to what holidays there will be next year.

Demetrius

I really liked going in the sea, spending time on the beach & having lunch in a cafe. I like the hotel & the staff as they treat you with respect. I enjoy spending time with the group. We've all got on well. I've really liked the small group.

Luna

If the project didn't happen it would be a real shame. This group are very kind, friendly and good to be away with. I've had a good holiday and a fun time with everyone.

Ruth

If the holiday project didn't happen, I would be very disappointed and upset. It's been a very good holiday, all calm & collective. Everyone has been nice to each other, and it feels like we are a family.
